

HOW DIGITAL TECHNOLOGIES ARE INCREASING DENTAL PRACTICE EARNINGS AND VALUATIONS

FEATURING THE NEW PRIMEPRINT!

 HENRY SCHEIN® 

 Dentsply
Sirona

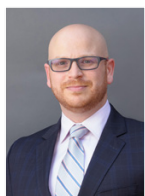

WEDNESDAY, MAY 31, 2023

LAGO,
1001 QUEEN ELIZABETH DRIVEWAY,
OTTAWA

Cocktails 5:30 pm | Dinner at 6:30 with presentation.

At a time when rapidly rising interest rates are hurting practice profits and selling prices, learn how many dentists are turning to 3-D Printing and CAD/CAM digital technologies to build up earnings and significantly increase practice values.

Learn how you can use digital technologies to substantially increase earnings TODAY and the value of your practice TOMORROW!

PRESENTER:
Neil Presner:

Neil has been working with Tier Three Brokerage for 10 years. Prior to that, he spent 3 years in banking and then developed expertise in business to business operations, sales, and marketing during 6 years with a multinational sales and leasing company. His educational background is in Economics and Marketing, having studied at Concordia University in Montreal. Neil currently works in Eastern Ontario and Western Quebec as well as the surrounding areas coaching his dental clients on how to achieve a successful transition beginning with appraisals and seeing things through right until implementation of transition and sale.

SPEAKER:
Normand Alarie:

Territory Manager CAD/CAM and Equipment Dentsply Sirona Ottawa/Kingston. Normand has worn many hats in the dental field, including Dental Lab Technician, Registered Dental Hygienist, Instructor at Confederate College, and Workplace Integration Specialist at Dentsply Sirona.

RSVP to JULIE FREY : 519-292-1118 by phone or text or email julie.frey@henryschein.ca
