Only Tier Three practice appraisals use Advanced Patient Metrics® to identify and unlock value in your practice that other appraisers may miss. A Tier Three appraisal can not only be used to sell your practice now, it will also identify opportunities for you or a new owner to substantially increase that value in the future. Alberta Wellness Summit attendees can visit us at **booth #405**, or call or email us by the **end of the day on June 23rd, 2023**.
